1117100	RAVENOL SVP Stand. Viscosity Performance Oil SAE 15W-40
1116104	RAVENOL HVP High Viscosity Performance Oil SAE 15W-50

The products in the new **RAVENOL High Mileage** range are recommended for high mileage vehicles from approx. 100,000 km. They are suited to both petrol and diesel engines with and without a turbocharger and direct fuel injection. The engine oils in this new **RAVENOL product** range have been newly developed to a unique formula, which has been specially designed for high mileage vehicles.

The **RAVENOL HIGH MILEAGE range** is notable for the additives it contains which offer exceptional cleaning and maintenance for your engine, restoring critical engine components and providing extra protection for seals.

This means that the service life of vehicles can be extended, particularly in older, higher mileage vehicles. Our **RAVENOL HIGH MILEAGE** products also possess excellent lubricating film adhesion and high shear stability. Their engine-maintaining additives help to reduce oil consumption while also offering protection against both sludge formation and wear and tear.
